

October 27-29, 2020 | Opatija, Croatia
Full Submission Deadline: **May 1, 2020**

EAI is actively monitoring the COVID-19 situation **to ensure the safety, comfort and quality of experience for attendees and a successful course of the event.**

If required, the conference will be **postponed** (to a later date in 2020) or held in an interactive, [live online setting](#). EAI is committed to holding the conference in 2020.

All matters related to **publication and indexing remain unchanged**, as well as the **original location**.

We will keep you informed of any changes in the event well in advance.

SCOPE

The conference aims at creating synergies of “practice and research” increasing the potential and commercial viability of research and development in the field of innovative technologies in **ICT, Industry 4.0, logistics and traffic system**.

We are pleased to invite you to submit your paper to [MMS 2020](#). Submissions should be in English, following the Springer formatting guidelines (see [Submission](#)).

CALL FOR WORKSHOP PROPOSALS

MMS 2020 is organized by EAI, a community-based organization that provides equal

opportunities to all its qualified members. With this vision, we encourage you to submit any workshop proposal with a relevant or emerging topic to the conference. MMS workshops should **focus on cutting-edge research areas**. Innovative, high-risk frontier research ideas are particularly welcome as a main topic of a workshop
