CALL FOR PAPERS

RCITD 2017

The 5th edition of International Virtual Research Conference In Technical Disciplines (RCITD)

Full Paper Submission Deadline: September 22., 2017

RCITD

RCITD

You are invited to submit a full paper at International Virtual Research Conference In Technical Disciplines. Conferences will run from 13. – 17. November 2017 at **www.rcitd.com**.

The RCITD 2017 Online Conference serves as good platform for the entire engineering community to communicate with each other and to exchange ideas on recent research. All accepted papers will be published in the conference proceedings and it will be accessible online. The conference proceeding will be published with ISBN, ISSN and each paper will receive a **DOI** identifier and **Crossmark** reference.

Topics

Topics of interest include, but are not limited to, the following:

Information and Communication Systems

- Information and Communication Networks and Services
- Information and Communication Security
- e- Forensics
- Research and Development of Information and Communication Assistive Technology
- Economics of Information and Communication Systems
- Communication Infrastructure of e-Business
- Telecommunications Policy

Applied computer science

- Data and signal processing
- Network communication
- Computer control and operating systems
- Graphics and design
- Software engineering
- Databases and data management

Electrical and Electronic engineering

- Communications, signals –
- Control Systems
- Electronic Design
- Power Systems and energy
- Optics & Photonics
- Materials & Devices

Automotive

- Safety engineering
- Ecology/emissions
- Electronics
- Software
- Forthcoming services and trends
